SOCCER IN LOYOLA SPOTLIGHT

Loyola College athletes face a heavy weekend schedule which commences this evening with the varsity football team playing away against powerful Waterloo Lutheran. Tomorrow afternoon highlighting the schedule the action resumes on campus when Loyola's defending OSLAA champion soccer team opens their league play at 2:00 p.m. against Royal Military College. An hour later on the adjacent field the J.V. football squad play their initial game of the year against the University of Sherbrooke. At 4:00 p.m. the action shifts back to the soccer field when the J.V. soccer aggregation opposes the Sun Youth Team.

Varsity Soccer Coach Bill Betts feels his 1967 squad will be hard pressed to duplicate last year's undefeated record with every team in the league setting their sights on the game against his team.

"We are already worried about RMC. They looked very impressive defeating Sir George 4-1", stated Betts.

Easing the Soccer Warriors task Saturday will be starry Goaler Angelo Venerus and brilliant forward Dino Juliano.

The Varsity Football team bogged down by Frosh mistakes will again attempt to mount an offensive attack under the lights at 8:00 p.m. tonight against Lutheran. The Warriors football team 0-4 has eighteen green freshmen members facing a team which features a punishing ground attack. Lutheran has two straight victories defeating Western 30-21 and Guelph 12-10.

Loyola's J.V. Football Braves will open the Junior Intercollegiate Football Schedule along with CMR who play host to RMC.

Harry Hus, Coach of Loyola's J.V. team will be torn between loyalty when his squad faces the Sun Youth Club. Hus is also active in the Sun Youth Organization.
